)	CERTIFICATE

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of the request of Kare Transportation Services, LLC (the “Applicant”) whereby the Applicant seeks approval of an amendment to Class C Non-Emergency Certificate of Public Convenience and Necessity No. 9528. The Applicant is authorized to operate under Certificate No. 9528 pursuant to Commission Order No. 2020-184, issued March 26, 2020.

The Applicant seeks to amend Certificate No. 9528 by a change in the scope of authority appearing on such Certificate.

Currently, the Applicant’s authority to provide passenger service (Certificate No. 9528) reads as:

. . . to furnish passenger service by means of motor propelled vehicles as follows:

Between points and places in Lexington and Richland Counties, South Carolina,
Restricted To: Seven (7) Passengers.

The Applicant requests to change the scope of authority to statewide.

It appears from the Applicant's request that the relief requested is a change in the scope of operating authority approved by the Commission in Order No. 2020-184. Also, it appears that the modification of the scope of authority does not otherwise involve a change in operation of the business.

Based upon a review of the matters asserted in the present request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED THAT:

1. The request for modification of Class C Non-Emergency Certificate of Public Convenience and Necessity No. 9528 of Kare Transportation Services, LLC by changing the scope of operating authority thereon from "between points and places in Lexington and Richland Counties, South Carolina," to "between points and places in South Carolina" be, and hereby, is approved.

2. This approval is for a change in the scope of authority but does not otherwise authorize any change in the operation of the regulated services.

3. The Applicant shall make all required amended filings with the Office of Regulatory Staff related to the amended authority granted by this Order within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission should an extension of time be approved.

4. Upon compliance with the filing of amended information with the Office of Regulatory Staff, an amended Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided in this Order.

5. Prior to compliance with such statutory and regulatory requirements and the receipt of an amended Certificate, the motor carrier services authorized by Order No. 2020-184 shall not be provided under the statewide authority granted by this Order.

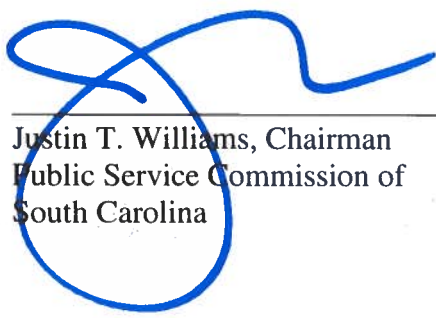

6. Failure of the Applicant to complete the above process within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission should an extension of time be approved prior to the expiration of the ninety (90) day time period, shall cause this Order to become null and void, thereby rescinding the authority granted to amend Applicant's Certificate. In this event, the request for modification shall be dismissed without prejudice, and no further action by the Commission is necessary.

7. The ORS is requested to furnish to the Commission, every two months, the names and docket numbers of those applicants whose order becomes null and void under the terms of the previous paragraph.

8. This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

Justin T. Williams, Chairman
Public Service Commission of
South Carolina
